Cookie Policy

What is a Cookie?

Cookies are usually small text files, given ID tags that are stored on your computer's browser directory or program data subfolders. Cookies are created when you use your browser to visit a website that uses cookies to keep track of your movements within the site for Example Rok Kitchens Ltd Website contains analytic Cookies which monitor when a person has browsed/opened up our website on there device. The reason why analytic cookies are used is so “We” as a company can monitor traffic on our website to see if those views are growing on an annual basis, thus generating more recognitiion within the Contract Kitchens Demographic.

Information Collected:

In certain circumstances we may collect personal information such as your name and contact details, but only when you voluntarily provide it, this is on our contact us page of our website.

Consent for Cookies:

In most cases we will need your consent in order to use cookies on our website. The exception is where the cookie is essential in order for us to provide you with a service, this in particular is referring to yourselves using our contact us form, as we require this information for ourselves to be able to provide a service.

The exact cookie references and descriptions can be found on our privacy policy statement.

For Further information on cookies gerneally visit aboutcookies.org or the information Commissioner’s webpage on cookies ico.org.uk/for-the-public/online/cookies/

Should you wish to inform us of further amendments to our cookie policy then please inform us via our email: info@rokkitchens.uk

This cookie policy is dated 01/04/2019.
